

## **Bone Stock VAN class aka “Man Van”**

We're going Old School with THIS class!! It is just to have fun and to keep it simple. Minimal prep time to run a car and safe for anyone to run!

All VANS must be Front Wheel Drive, either 4 cyl or 6 cyl

1. All chrome, trim, and glass must be removed
2. Can cut fender wells for clearance
3. stock shifter only-if you move the shifter you will run up in another class
4. no welds at all (except for drivers door as an option)
5. 2 chain's or 9 wire per door, driver's door only maybe welded shut
6. 4 chains or 9 wire in hood and 4 in trunk
7. move battery/gas tank
8. exhaust through hood allowed
9. 4 point cage optional- No down bars if running a cage.
10. 2 windshield bars
11. If you do not run a cage then protection on driver's door required!
12. If car has plastic bumpers you may put a steel skin on. NO full backed steel bumper's
13. DOT tires only! No bobcat or implement tires
14. May chain motor down in 2 spots only
