RENVILLE COUNTY FAIR

AUGUST 12TH – 14TH, 2026

What an incredible week we experienced at the 2025 Renville County Fair! From roaring engines to the laughter of families on the midway, this year's fair was one to remember and it would not have been possible without the support of our sponsors, volunteers, exhibitors, and community members.

Last year's fair welcomed just about 8,500 attendees, featured 2180 open class projects, and reached 8,100 households through our county-wide mailer. For over 140 years, the Renville County Fair has served as a cornerstone event celebrating agriculture, youth achievement, local businesses, and community pride.

The fairgrounds were alive with excitement from start to finish. Crowd-favorite events like the ATV Barrel Race, PRCA Rodeo, and Demolition Derby drew spectators from across the region, while our 4-H livestock shows highlighted the dedication, hard work, and talent of local youth – the next generation of leaders in our community.

Families enjoyed a lively fair atmosphere filled with inflatables, interactive activities, and entertainment for all ages, along with a fantastic lineup of food vendors, live music, and evening attractions that brought neighbors together long after sunset.

We're incredibly proud of what we accomplished together in 2025 and are already planning an even bigger and better fair for 2026. Your sponsorship plays a vital role in making this possible, helping us keep the fair affordable, family-friendly, and accessible to everyone in our community. We hope you'll join us again this year as a valued partner in celebrating our county, our heritage, and the people who make it all possible – sponsors like you.

Thank you for supporting the Renville County Fair and investing in our community.

With appreciation,

The Renville County Fair Board of Directors
